Embrace the *Royalty* of Living

Welcome to the Palazzo Royale Real Estate Group, a visionary company founded by Mickee Singh. With a deep commitment to transforming real estate into an art form, we weave together aspirational modern living, the joy of legacy, and the timeless elegance of Europe. Our core values guide us in creating exquisite living spaces that bridge the gap between dreams and reality. We create Masterpieces.

Dear extended family,

It is with great pleasure and a sense of deep pride that I welcome you to the world of Royal Tuscan – an exquisite collection of Townhome condos, bungalow lofts and penthouses nestled in the heart of St. Catharines - the enchanting Garden City of the Niagara Region. As the founder of Palazzo Royale Real Estate Group, it is an honor to introduce you to a project that encapsulates the very essence of luxury, culture, and contemporary living.

In a world where the rhythm of life often moves at a rapid pace, finding a haven that reflects your aspirations and provides the tranquility you seek is a cherished desire. Royal Tuscan has been crafted with this vision in mind – a timeless address that offers not just homes, but a canvas upon which you can paint the life of your dreams. A Masterpiece Residence.

This endeavor is not merely a creation; it is the fulfillment of my lifelong journey of over four decades. A dream that blossomed from the depths of my heart and was nourished by the rich experiences of my life – from my days as a broker to my time studying in the captivating landscapes of Europe, including the picturesque region of Tuscany. It was there that the seeds of Royal Tuscan were sown, drawing inspiration from the timeless beauty and cultural charm that surrounded me.

Today, I am humbled to witness this dream come to life, and I am reminded of the incredible support and love I have received from our neighbors and friends over the last seven years when I bought the land to build this project on. The warmth of their affection, showered upon me through gestures as sweet as tiramisu and cakes, has truly touched my heart. It is this sense of community, this spirit of togetherness, that propels me to always move forward and reaffirms my vision and commitment to giving back in every way I can to the community.

Royal Tuscan is an invitation to discover the joy of living anew – where each home is not just built to live, but also built to love. The meticulous attention to detail ensures that each residence is a testament to my philosophy and vision: I build every home as if it were my own.

The residences caters to a diverse audience – from the retirement community seeking a tranquil haven to new families looking for a nurturing environment. My team's decades of experience in crafting homes, their unwavering commitment, fueled by their belief in our shared vision is embedded in every corner of this project, ensuring that each residence is a masterpiece in its own right.

We are here to guide you through this journey, to answer your inquiries, and to help you build the life you've always envisioned. We are excited to welcome you to the Royal Tuscan community – a timeless address where living is elevated to an art form. Look forward to serving you.

With boundless anticipation and a heart full of excitement,

Mickee Singh
